

KRALLERHOF

Kids Soccer camp at Krallerhof

14TH – 22ND APRIL 2025

WELCOME TO THE KIDS SOCCER CAMP AT KRALLERHOF!

From April 14 to April 22, 2025, young football enthusiasts—both girls and boys—will have the unique opportunity to improve their athletic skills under the guidance of our coach, Alex. The camp is designed for two age groups: 7 to 9-year-olds and 10 to 12-year-olds. Training sessions, with a maximum of 10 children per group, are expected to take place daily (except Easter Sunday) from 9.30 a.m. to approximately 11.00 a.m.

In this playful training environment, children will not only learn the technical and tactical aspects of football but also develop team spirit and fair play. Coaches Alex and Richi bring their years of experience and passion for the sport to ensure an unforgettable experience for all participants. Beginners and advanced players alike are welcome!

Sign up now and enjoy an active holiday full of fun, movement, and new friendships at Krallerhof!

Don't forget your FG/AG football shoes (artificial turf field).

In case of bad weather, training will be canceled for the day.
